

***Kihei Community Association  
Announces Endorsement of  
Malulani Health & Medical Center***

FOR IMMEDIATE RELEASE: Kihei, Maui (November 19, 2004) Kihei Community Association has formally endorsed their full support for the proposed Malulani Health & Medical Center. Dave Mackwell, President of the Kihei Community Association, remarked, “The Kihei Community Association is pleased to give our support to the Malulani Health & Medical Center. We believe it will compliment existing healthcare facilities and meet future healthcare needs.”

The Malulani Health Systems Board has been conducting community informational meetings to provide detailed information about their visionary plans for the project and to solicit input from residents. After many meetings island-wide, Dr. Ron Kwon, Chairman of Malulani Health Systems Board, points out “It’s apparent, after the community meetings and the recent online poll conducted by the Maui News, that the demand for better healthcare on Maui is great. We’re very pleased that the Kihei Community Association is supporting this exciting project. Everyone will benefit with more healthcare choices.”

Malulani Health Systems, a community-based nonprofit organization, is planning to build a state of the art, fully digital, 100 bed acute care and full service community hospital and medical center facility in South Maui. This innovative medical facility will provide unsurpassed quality health care for all of Maui’s residents and visitors by blending the best of all medical traditions – western complementary, and alternative medicine.
