

# What do 120 of Maui's physicians all agree on?

That their patients deserve the best available health care and that Maui needs a new hospital.

That's why they support the creation of Malulani Health & Medical Center.

Malulani Health Systems, a community-based non-profit organization, is planning to build a state of the art, fully digital, 100 bed acute care and full service community hospital and medical center facility in South Maui. This innovative medical facility will provide high quality health care for all of Maui's residents and visitors by blending the best of all medical traditions - western, complementary, and alternative medicine.
